Letter of appreciation

Dear Mr. Shaw

Thank you very much for your generosity! Your donation of a computer workstation is highly appreciated. It will help us a lot to be more efficient in our organisational processes.

One of our intern goals is, to keep the overhead and infrastructure costs as low as possible to be able to bless the children we are working with the best possible way. Your donation helps us, to allocate the money to children in need.

Thank you for helping us to reach more children.

Yours sincerely

Martin Oosthuizen
